EXPERIENCE

**Architectural Technician, Kohn Pedersen Fox; New York, NY**

2020 - Present

- Moved from the marketing department to the design studio to join a team on a multi-tower repositioning and redevelopment project in Vancouver, BC
- Assisted in project management, presentation building, diagramming, 3D printing site and massing models, and other general design and management support
- Learned the details of design and delivery from experienced designers and project managers

**Marketing Coordinator, Kohn Pedersen Fox; New York, NY**

2018 - 2020

- Work with the Marketing Director, new business team and project teams to respond to RFQ and RFP, coordinating with a large studio team, multiple consultants and collaborating firms on strict and international deadlines, including professional printing of proposal materials
- Write and edit original text for collateral efforts from book publishing to website development, magazine features and exhibitions
- Graphic design and creation of publishable floorplans for new business and marketing use
- Development of both graphic and editorial standards
- Content management for a large and expanding file structure of marketing, legal, human resources and financial documents and information

**Carpenter + Junior Designer, Shelton Design Build; Pittsburgh, PA**

2016 - 2017

- Worked in field to do complete home renovation from demolition to finishing
- Worked with the design team to produce standard elements for drawing sets

**Editorial Intern, Gear Patrol; New York, NY**

Summer 2015

- Worked with daily editorial staff to compile and produce stories
- Assisted editors with research and layout
- Editorial production duties including 30 original pieces

**Artist Assistant, Parke Paper; Cambridge, NY**

2010 - 2016

- Curated open studio shows for painter, Leslie Parke
  - General studio maintenance, improvements, and canvas preparation
-
